

Digital Business & AI Mastery

Learn one-on-one with Stephen Totimeh, AI Personality of the Year 2026. Hands-on training built around your real business.

6 weeks per phase | 3 months for both phases

3 ninety-minute sessions per week | In person or online

01 Digital Business Foundations

1 month and 2 weeks (6 weeks) · 18 sessions

Business setup, website development, digital marketing, affiliate marketing, advertising and AI-assisted video production.

Affiliate marketing: choose suitable offers, create helpful recommendations, set up referral links and disclosures, and track performance.

02 AI Mastery & Automation

1 month and 2 weeks (6 weeks) · 18 sessions

Business automation, AI tools and app creation, and delivering AI training to institutions. Take Phase 1 first, or bring existing business and technical experience.

03 Mentorship after your training

3 months included with every option. Personalised guidance based on your needs and progress. Apply your skills, work through challenges and improve your approach as you work towards your income goals. Your support plan is agreed around your needs.

Your investment · Ghana

Training option	Pay in full	Monthly option
Phase 1 · 6 weeks	GHS 4,500	3 monthly payments of GHS 1,700
Both phases · 3 months / 36 sessions	GHS 10,000	Discuss on your discovery call
Phase 2 · 6 weeks	GHS 6,500	3 monthly payments of GHS 2,400

Includes tools and templates, WhatsApp support between sessions, a capstone project, a completion certificate and post-training mentorship. Monthly payments may continue during the mentorship period.
